Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All too many students graduate from college without the practical tools and know-how they need to succeed as adults. To ease your transition from learning to doing, from college life to professional life, this essential guide delivers all the motivation and real-world advice you require to make even your loftiest aspirations a reality. Internationally accomplished marketing and business executive and award-winning college professor Peter C. Wallace gathered his decades of experience, climbing the corporate ladder and mentoring young talent, into a popular lecture series on making the most of life after college. That series is the backbone for this must-have resource for graduating seniors. With his signature enthusiasm, wit, and level-headedness, Wallace shares proven keys to professional and personal success, including how to: Select a fulfilling career path and land a great job Budget your money, invest for the future, and build your net worth Develop your career, both inside and outside of work Negotiate and manage credit cards, loans, and a mortgage Minimize stress and nurture satisfying relationships Under Wallace s trusted guidance, you ll be equipped to handle the inevitable uncertainties of life with confidence and grace. But you ll also learn to make solid, well-thought-out decisions and choices that will bring you many achievements and great happiness.
