This entertaining and informative book designed for the under-40s aims to give couples insights into their relationship and to answer a persistent question: Is this partner right for them? Twenty tests cover important issues associated with attraction, compatibility, commitment, life together, intimacy and sex, communication and expectations. Each quiz from THE PARTNER TEST is intended to be an accessible entry point into a serious relationship topic. An in-depth interpretation follows the test, outlining information about the issue and offering strategies to tackle problems revealed by reader s answers. The authors have created a style of test that has broad appeal because it is based on issues that cause conflict in relationships. The aim of each quiz is to get couples thinking about important issues and how they might resolve problems and bring partners closer together. Jo Lamble and Sue Morris are clinical psychologists and highly qualified relationship counsellors and authors in this field. They have created tests that are well-founded and their analyses and advice have solid psychological foundations.
