Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.

(Floy Rolfson)

EVIL-SHOOTING WAY: BOOK TWO IN MONSTER-SLAYER SERIES

iUniverse. Paperback. Book Condition: New. Paperback. 130 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Robert Begay had no idea his studies and lectures on Evil, and those who pursue power for pleasure, would lead him to a surprise confrontation with the personification of evil itself. Photos of himself and his girlfriend are left dipped in blood, and his truck and home are vandalized, leaving Robert bewildered and angry over intrusions into his life and into the lives of his loved ones. The death threats and attempted kidnappings of Tess haunt his days as the school year at the Navajo Community College where Robert teaches, draw to a close. Strange dreams of an ominous black bull leave him even more puzzled. Then just before the Spring Equinox, Robert is taken from his ranch and kept a prisoner, bound and immobile. The master mind behind the stalking and threats is revealed, and the diabolical plot he has planned, with Robert as the main attraction, proceeds with clockwork precision. Robert must fight his captivity and the plans for his murder by drawing upon the strength and honor of Monster-Slayer, the Navajo warrior-god of his heritage. Not even Robert himself knows if he will be able to fight and win against the terrible end planned for him. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
