Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Cambridge Scholars Publishing, United Kingdom, 2014. Hardback. Book Condition: New. 1st Unabridged. 208 x 155 mm. Language: English . Brand New Book. This unique book, representing the main output of the Jean Monnet Multilateral Research Project granted by the European Commission, is dedicated to the legal and political dimension of the European Union policy towards its Eastern neighbours, namely Ukraine, Belarus, Moldavia, Azerbaijan, Georgia and Armenia. The Eastern Partnership clearly occupies a privileged position in the EU s external relations and constitutes an important Eastern axis of the European Neighbourhood Policy. The book examines relevant material from a broad perspective, and attention is paid to the in-depth analysis of Eastern Partnership Agreements and the new Association agreements, examining their place in the External Relations Law of the EU and the legal mechanisms of their operation. In this respect, comparisons with the previous Association agreements with the states of the Central Europe are also made here. A great part of the book is also dedicated to an analysis of the issues of human rights, the rule of law, and legal approximation as a key element of the acceptance of duties of the association countries. Recent political unrest in Ukraine in connection with the delay of the signature of the EU-Ukraine Association Agreement has also shown that this contract instrument is considered to be a key indicator in geopolitical terms, as a concrete expression and powerful symbol of the future orientation of this Partnership state and its willingness to share common European values. This volume s analysis of this document enables a better understanding of the reasons for, and the core of, this development. The diversity of contributors to this book allows a multi-perspectival analysis, incorporating views from old and new EU Member States, as well as Partnership states, and reflects the...
