Confined to a wheelchair, Frankie struggles to adjust to a life in which he must rely on others to complete even the simplest tasks for him. The only body-part he can control is his right arm, which he uses obsessively to record the details of daily comings and goings in his sleepy small town. But when he meets Joe Speedboat - a boy who blazed into town like a meteor while Frankie slept - everything changes. Joe is a centrifugal force, both magician and daredevil, and he alone sees potential strength in Frankie's handicaps. With Joe's help, Frankie's arm will be used for more that just writing: as a champion arm-wrestler, Frankie will be powerful enough to win back his friends, and maybe even woo PJ, the girl who has them all in a tailspin. Alive with the profundities and perplexities of adolescence, Joe Speedboat is the supersonic story of an unlikely alliance and a lightning-quick dash to grow up.
