The 13 project-based lessons in this book show readers step-by-step the key techniques for working in Fireworks CS5. Readers will learn what they need to know to collaborate with other Adobe Creative Suite applications to design and mock up basic Web pages or interfaces for rich Internet applications. In addition readers will learn how to demo a design live for a client, export the design as an interactive PDF, and export complete Web page designs as Web standards-compliant CSS-based layouts, or as PDF. This revised CS5 edition covers enhanced pixel precision; new workflows between Fireworks and Flash Catalyst; working with the new Document template feature; importing, sharing, and creating Adobe Swatch Exchange files; and more. The companion DVD includes lesson files so readers can work along with the book. "The Classroom in a Book series is by far the best training material on the...
