Brand New Book ***** Print on Demand *****.The amazing thing about life is that it takes us all on a journey. One we have no control of the only control is how we react. My journey began in December 1988. No one can predict, even though the whole procedure was written out, every man goes through different experience The doctors decided to do a procedure called external cephalic version in which he would use his hand to turn the baby, I didnt know such pain existed a shocking excruciating pain surged through my body. It literally shut my brain down, I know I was screaming but I couldnt hear myself, I couldnt recall what or whom I held onto during that time but my cognitive senses kicked in as the doctors shook my shoulders and I heard his repetitive voice saying "can you hear me, can you hear me? Mrs. Brown, Mrs. Brown, just breath, just breathe. In my attempt to answer, the doctor began to speak and initiate what next he wanted me to do; he pointed to a bed across...
