Who will lead America in the years to come Letters from Young Activists introduces Americas bold, exciting, new generation of activists. Aged ten to thirty-one, these atheist, Christian, Jewish, Muslim, pagan, transgender, heterosexual, bisexual, metrosexual Americans are from every type of background and ethnicity, but are united by their struggle toward a common goal. They are the inheritors of their parents legacy from the sixties, but also have the imagination and courage to embark on new paths and different directions. In letters addressed to their parents, to past generations, to each other, to the youth of tomorrow and to their future selves, each author articulates his or her vision for the world as they work towards racial, economic, gender, environmental and global justice.
