Brand New Book ***** Print on Demand *****.In order for the Church to impact this world with the good news of Jesus, we are going to have to take on the very character of Christ - the heart of a shepherd. In this compelling book, author Andrew DeLee exposes our need to examine not only our personal relationship with God, but also our relationships with our brothers and sisters in Christ. The Shepherd s Challenge is a call to unity and partnership in the Body of Christ. If we want to see God move in greater ways, we have to embrace the person of Jesus Christ, who is our ultimate example of the Good Shepherd. Regardless of whether you are a pastor or a volunteer in your church, this book will help you discover the powerful truth: that walking in a deep love for one another is God s plan for changing the world. Bishop Andrew DeLee, along with his wife Rhonda, founded Voice to the Nations Worship Center in 2001. They have a clear vision to destroy racism, break poverty, and touch the next generation with the heart of God. Bishop DeLee is passionate about seeing the church reach its true potential. The Shepherd s Challenge is the first of many books that is sure to compel the church to reach that potential.
