TEACHING AND LEARNING IN SCHOOLS OF NURSING

Konark Publication, New Delhi, 2000. Soft cover. Book Condition: New. 690pp. The 3rd revised edition of the book deals with the principles and habits of thinking which have both a philosophic and scientific basis when connected to teaching nursing. The emphasis in this book is on learner and learning; and on the teacher of nursing students. Although the book is directed to the teacher, in the final analysis it is what the learner does that is of primary importance; for...
