

Where Heaven and Earth Meet: Jerusalem's Sacred Esplanade

Filesize: 1.52 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

WHERE HEAVEN AND EARTH MEET: JERUSALEM'S SACRED ESPLANADE

[DOWNLOAD](#)

University of Texas Press. Hardback. Book Condition: new. BRAND NEW, Where Heaven and Earth Meet: Jerusalem's Sacred Esplanade, Oleg Grabar, Benjamin Z. Kedar, One of the most extraordinary spaces on earth, Jerusalem's Esplanade has been regarded as sacred for about three millennia. For Judaism, it is the holiest space, where the Solomonian and Herodian Temples once stood and where, in the messianic age, the Temple is to be rebuilt at God's behest. For Christendom, it is the site of the Herodian Temple, which Jesus repeatedly visited, foretelling its destruction and announcing the advent of a new, spiritual worship of God. For Islam, it is the holy space to which the Prophet Muhammad travelled on his mystical Night-Journey and Ascension, and which holds the Dome of the Rock and the Aqsa Mosque. "Where Heaven and Earth Meet" is an unprecedented endeavour. For the first time, an Israeli, a Palestinian, and a Dominican institute of higher learning, all located in Jerusalem, have jointly sponsored a volume dealing with Jerusalem's sacred Esplanade - not only with its monuments, but also with the conflicting emotions they have aroused over the ages and with the passions they ignite today. The book contains eleven articles written by leading experts on the various periods, which add up to an authoritative, up-to-date account of the site's history; as well as five thematic essays, ranging from the site considered as a work of art to its roles in Jewish, Christian, and Muslim thought; a photographic dossier; and, three personal views by the presidents of the Hebrew University of Jerusalem and Al-Quds University, as well as by Carlo Maria Cardinal Martini.
