Createspace, United States, 2011. Paperback. Book Condition: New. 246 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.If other Fear of Flying books or courses have not helped, perhaps you need to try something a little bit different. Written to appeal to young and old alike, Dragons of Thin Air is an entertaining, insightful and comprehensive discussion for anybody who is afraid (or even just a little bit nervous) of flying. It is not your average self help book, however. If you hate taking medicine or fall asleep at the very thought of reading a textbook you will absolutely love Dragons of Thin Air. Even the contribution of our basic (poor) understanding of numbers and statistics is explained. Stop yawning! We don t do it boring! And, to top it off,...
