Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Junius Herman)

BLUE AND YELLOW IN SUMMER

Rourke Educational Media, United States, 2015. Paperback. Book Condition: New. 203 x 203 mm. Language: English Brand New Book. Feel the hot, yellow sun on your face. Splash in the cool, blue ocean. Summer is filled with yellows and blues! The warm weather brings out the yellow daisies in gardens, bluebirds tweet in the trees, and the hot days have you drinking yellow lemonade. This book is a hot, new approach to integrate concepts and science of colors and seasons through a question and answer format. Rhyming and repetitive text make this a fun read aloud. This title will allow students to ask and answer questions about unknown words in a text.
