Pub Date :2011-12 Pages: 210 Publisher: Educational Science Press sheet: 14 Who is the most growth of teachers Introduction: growth is a process. a confused chaos to clarity and sophistication of the process; growth is an ability. a concentrated work. the ability to self-renew. The book comprehensively featuring Education Times selection 31 in Henan most growth teachers growth case. How to improve the growth of force? Targeted reviews and recommendations from the education professional media research report. we can find the answer from the education masters the growth force teacher professional development trajectory. Who is the most growth teachers preface one: life and nice Zhang quality among the vast Books Adds a nothing important achievement. what this Who is the most growth of teachers record or in addition to the specific area and less well known to a non-organized groups. Although they are named teachers most growth in Henan. in fact. that is common. but some of the personal on your side. in your school. and even that is a good friend. Obtain such a naming them more by their own naming and naming of students. but anyway. we are now is a general lack of special insolent teachers. I understand from the front. a positive sense insolent 's. But having said that. how as a teacher in various domination and the weight may become the order surprised its insolent and still universally accepted folk hero? Me and turned so looking forward to the fitness of the other grid for teachers: their true. natural. sincere and patient. they love their work quietly to improve and change themselves. they like a tree. and eventually become vibrant. compelling. singled out..
